Careers in the Sawmill Industry

The wood products industry is one of the backbones of our economy. We rely on sawmills to turn responsibly-sourced trees into lumber...to build houses, outdoor structures, and even wooden skyscrapers.

SAWMILLS GROW YOUR CAREER. Most mills hire from within for machine-level and other upper level jobs. More responsibility means more resources for you and your family.

The forestry-related industry, which includes sawmills, supports more than **1.3 MILLION JOBS** in the South*

In the South, the total payroll in forestry-related businesses is **\$55 BILLION***

Seeking motivated employees of all skill sets to help us **BUILD THE WORLD**

THERE ARE ENDLESS CAREER OPPORTUNITIES IN SAWMILLS. There's probably a sawmill located near you. Sawmills big and small hire for positions including:

- Accounting/Finance
- Administrative
- Machine Operator
- Saw Operator
- IT Professional
- Electrician
- Shipping & Logistics
- Industrial Engineer
- Mechanical Engineer
- Electrical Engineer
- Forester
- Maintenance Mechanic
- Grader/Lumber Inspector
- Sales and Marketing
- Mill Safety
- Professional Driver
- Quality Assurance
